Our Commitment to Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our information practices. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

What information do we collect?

We collect information from you when you register on our web site, respond to a survey or fill out a form. When registering on our site, as appropriate, you may be asked to enter your name, e-mail address, mailing address and phone number. You may, however, visit our site anonymously. At this time, we do not sell products or services through our web site.

Student enrollment is done at our physical location at which time a Student Enrollment Agreement is completed. You will be asked to provide payment information such as credit card or electronic fund transfer (EFT) banking information along with address, phone number, date of birth and e-mail address.

What do we use your information for? Any of the information we collect from you through our web site or at our physical location may be used in one of the following ways:

To process monthly tuition transactions

To send e-mails such as newsletters, school updates, class schedules and monthly calendars

To improve customer service

Return e-mail addresses received through our web site are used only to answer the emails we receive.

Such addresses are not used for any other purpose or shared with outside parties.

Our Commitment to Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect. All supplied sensitive payment/credit information is transmitted via our Payment Gateway providers database only accessible by those authorized with special access rights to such systems, and are required to keep the information confidential. Your private information (credit cards, social security numbers, and financial information) will not be stored on our server.

Do we disclose any information to outside parties? We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect our or others rights, property or safety.
